PROPRIOTERY ARTICLE CUM WEB CHALLANCE NOTICE

Indian Institute of Science Education and Research Kolkata (Hereinafter referred to as **"IISER Kolkata"**) is an Institute of National Importance established under Ministry of Education, Government of India. The Central Computer Centre (CCC), IISER Kolkata has requested procurement of VASP software from M/s VASP Software GmbH, Berggasse 21/14, 1090 Wien, Austria, on proprietary basis.

The Notice is hereby published on the official website of IISER Kolkata for general information of prospective manufacturers/authorized distributors/dealers for objections/comments, if any, regarding the proprietary nature of the above-mentioned item. In this respect, the following document is also published for information and perusal:

i) Proprietary Certificate issued by the firm
ii) Proprietary Certificate issued by the Indenter
iii) One quotation indicating the offered price and description.

Any objections/comments, if any, may be submitted by e-mail to purchase@iiserkol.ac.in, with the subject line "Web Challenge against Procurement of VASP Software", within 7 (seven) days from the date of publication of this notice.

In the event of no objections/comments being received within the stipulated period, it shall be presumed that no vendor has any comments or objections to offer, and the procurement case shall be processed further on a proprietary basis from M/s VASP Software GmbH, Berggasse 21/14, 1090 Wien, Austria.

Quotation for VASP
Quotation Nr. 26-0459

Dear Sir/Madam,

Please find below our quotation for a permanent license for the use of the Copyrighted Article "VASP software" by academic institutions for 6 users.

Item	Description	Qty.	Unit Price in Euro
1	Permanent license for the use of the VASP software, releases 5 and 6.6, by academic institutions for 6 users Free updates for 3 years	1	6.600,00
	Sum including WHT, net of any further taxes		**6.600,00**

Please note:

- **This is not an invoice. Please DO NOT PAY the fee based on this document.**
- The offer is valid under the condition that the sale is regarded as a business to business electronic service sale and the customer is qualified as a taxable person. We ask you to provide us with the relevant certificate of registration (corporate affirmation). The net price applies on the condition that the service recipient will be liable to file and pay (I) the Indian GST (that the transaction is subject to tax filing under the reverse charge mechanism) and (II) the Indian withholding tax. **The Withholding Tax of 21,84% due in India will be included in the invoice and the customer is obliged to withhold the tax and pay it to the competent authorities.**
- Access to the VASP-Software shall be made available through an electronic download portal only.
- Download will become possible only after signature of the license agreement and transfer of the license fee less withholding tax. If paid by bank transfer, the invoice number must be quoted in the transfer.
- Bank fees need to be covered in full by the licensee, payment by credit card is not accepted.

This offer is valid until 2026-11-12, subject to the condition that there will be no legal changes concerning payment of the withholding tax in India until then.

With best regards,

Vasp Software GmbH
Prof. Dr. Georg Kresse

Proprietorship Confirmation for VASP

Dear potential VASP customer,

It is hereby confirmed that the VASP Software GmbH has the unrestricted and perpetual right to license the Vienna ab initio simulation program (VASP), including the pseudopotential and PAW data base, the documentation, as well as any other data and programs distributed with the VASP software.

The VASP Software GmbH and Materials Design S.A.R.L. for Europe, the Middle East and Africa and Materials Design, Inc. for the North, Central and South Americas, Australia and Asia and their official local distributors are the sole distributors of the VASP software worldwide. A complete list of approved Distributors and Partners of Materials Design can be found at https://www.materialsdesign.com/distributors-and-partners.

With best regards,

Vasp Software GmbH
