About FIMB-2023

Frontiers in Modern Biology (FIMB) is the flagship symposium organized by the Department of Biological Sciences, IISER Kolkata since 2011. FIMB-2023 will be the 7th edition of this symposium to be held in our green campus at Mohanpur, West Bengal on **JANUARY 20-22, 2023**. The symposium aims to provide a broad platform for insightful discussions on diverse topics in modern biology, "from Molecules to Systems". FIMB-2023 will enable the budding researchers to showcase their work and expose them to the cutting-edge science conducted by eminent experts across the country. We are looking forward to your enthusiastic participation in FIMB-2023.

Thanking you.

With warm regards.
