

Important Notice on the On line Interview Dates for recruiting recently advertised Post-doctoral Research Associate (2 Nos) and Project Fellows (2 Nos) within the research group of Dr. Arabinda Chaudhuri, ICMR Emeritus Scientist, Department of Chemical Sciences, IISER Kolkata.

Due to unavoidable circumstances, interview of the short-listed candidates will not be conducted on February 5, 2022. Instead, interviews will be conducted on the following dates & times:

For Project Fellows:

February 7, 2022 (Monday): During 2:15 – 5:15 pm

For Post-doc Position 1:

February 11, 2022 (Friday): During 10:30 am- 1:30 pm

For Post-doc Position 2:

February 12, 2022 (Saturday): During 10:30 am- 1:30 pm

The individual short-listed candidates will be sent the Google-Meet links shortly.

Screening Criteria:

Huge number of applications were received. Only candidates who applied on or before January 27, 2022, were considered. The Selection Committee used the following screening criteria for short-listing the candidates to be called for On line Interview:

For Project Fellows: First Class Master Degree (or dual BS-MS Degree with minimum 7.5 CGPA) in Chemistry or Life Science Subjects with significant exposure to both chemistry and biology experimental research techniques.

For Post-doc Position 1: PhD in Biochemistry/Life Science subjects with: major doctoral research focus in the area of cancer biology (supported by publication track records); significant *in vitro* and/or *in vivo* research experience; and experimental skills in executing standard Molecular Biology Techniques.

For Post-doc Position 2: PhD in Bioorganic Chemistry or in interdisciplinary subjects at the interface of organic chemistry and biology with: significant research experience in design & synthesis of nano-drug carriers for therapeutic/biomedical uses (supported by publication track records); familiarity with animal cell culture techniques and basic molecular biology protocols.
