

Notice: Beware of Fraudulent Job Offers using the name of IISER Kolkata

IISER Kolkata strongly warns the public against fraudulent job offers falsely claiming affiliation with the Institute.

- IISER Kolkata has not authorized any individual, agency, or third party to recruit or offer jobs on its behalf.
- All official recruitments are conducted **only** through the Institute's official website or government-approved channels.
- Any communication claiming to offer employment at IISER Kolkata without verification from the Institute's administration is **false and fraudulent**.

Members of the public are **strongly advised** to exercise caution. Do **not** respond to suspicious emails, calls, or letters. Do **not** share personal information or make any payment in response to such fraudulent offers.

If you receive any such suspicious communication, immediately verify its authenticity by contacting the IISER Kolkata Office using **official contact details** provided on our website: <https://www.iiserkol.ac.in>.

Strict **legal action** will be taken against anyone found impersonating the Institute or attempting to deceive the public in this manner.

Stay vigilant and protect yourself from fraud.

PS: This notice is issued with the approval of the Competent Authority.
