

Advertisement for WALK-IN INTERVIEW for the position of a Project Fellow opening as part of a project to be undertaken in the Centre for Climate and Environmental Studies at IISER Kolkata.

Project Title: Risk of arsenic contamination in the food chain and methods of risk reduction

Funding Agency: CSR Project (Bandhan-Konnagar)

Temporary position: Project Fellow

Number of vacancy- 1

Salary- as per sanction letter

Age Limit- Must not be over 35 years as on 17th January, 2023 which can be relaxed for certain reserved categories as per rules of Government of India. Relaxation in age, educational qualifications or experience may be considered in case of exceptionally meritorious candidates.

Background of the project: The project intends to understand the state of arsenic contamination in the food chain and map temporal-spatial variability of arsenic as a contaminant. For further details please write to Prof. Punyasloke Bhadury at pbhadury@iiserkol.ac.in

Qualifications: Master's degree in Natural Science including Microbiology/Environmental Science/Zoology. Candidates with field experience including prior exposure in undertaking field activities in As (arsenic) contaminated ecosystems will be preferred.

Walk-in interview: 17th January, 2023.

Venue of interview: Room 254, Second Floor, Research Complex, IISER Kolkata; Time:930 AM

More details: The position is for three months and purely temporary in nature. However, there is scope for extension based on the deliverables of project. No TA/DA will be paid for attending the interview.
