

## Advertisement for Project-JRF position

Applications are invited from Indian nationals for the post of Project-Junior Research Fellow (JRF) in a collaborative project titled "*Computational studies of Cu-catalyst mediated organic transformation*" at the Computational Chemistry and Molecular Modeling (CCMM) Group (<http://www.iiserkol.ac.in/~koley/index.html>), Department of Chemical Sciences, IISER Kolkata.

**Position:** Project-JRF (Junior Research Fellow) (No. 1)

**Fellowship (Consolidated):** Rs. 35,000/-

**Duration:** 1 year, to be renewed strictly based on performance and availability of fund.

**Eligibility:** (i) First class (or CGPA OF 7.0 and above at a scale of 10) in MSc in Chemistry with CSIR-UGC NET (LS) or equivalent qualification and/or a valid GATE score.

(ii) Have interest in doing computational chemistry research with strong understanding of physical and inorganic chemistry.

(iii) Candidates should be below 27 years of age at the time of application.

Interested candidates should send an email to **Dr. Debasis Koley** ([koley@iiserkol.ac.in](mailto:koley@iiserkol.ac.in)). Applications should include an updated CV and a statement of purpose of not more than 500 words explaining the candidate's interest in contributing to the project and joining the CCMM group at IISER Kolkata.

Online interview will be conducted for the shortlisted candidates. The following documents are needed before the interview process.

- a. Two recommendation letters from a teacher and/or academic mentor [send via email]
- b. Self-attested copies of degree certificates [scanned copies needed]
- c. Any other relevant documents.

**Last date of receiving applications:** 30 October 2022

**Conditions:** The decision of the selection committee will be final. The selected candidate may be terminated with a 30-day notice before completion of tenure, if performance till date is not deemed satisfactory.
