

ADVERTISEMENT FOR TWO (02) POSITIONS OF PROJECT COMPUTER PROGRAMMER (ON CONTRACT)

Indian Institute of Science Education and Research (IISER) Kolkata, invites applications from Indian nationals for the two contractual project positions in the following project:

Project Title: Augmenting Enterprise Resource Planning (ERP) system of IISER Kolkata by developing administrative software modules in-house

Project PI: The Chairperson, ERP Committee, IISER Kolkata

Project Objectives: Current ERP system of IISER Kolkata primarily consists of Academic Modules that have been developed in-house by employing open-source software. However, it currently lacks some key Administrative Modules such as (i) Finance and Accounts, (ii) Purchase and Stores, (iii) Payroll and HR, and other administrative modules.

The primary objective of this project is to develop different Administrative Modules in-house in a phased manner for augmenting the ERP system of IISER Kolkata.

Tentative Timeline:

● **First year:** Develop requisite software for a part of “Finance and Accounts” module, a part of “Purchase and Stores” and a part of HR module so that Reimbursement and Bill submission and tracking component can be made operational for all users.

● **Second Year:** Develop requisite software for the remaining part of “Finance and Accounts” module, remaining part of “Purchase and Stores” module and a part of the “Payroll and HR” module. These newly developed software modules will be made operational for all users.

● **Third Year:** Develop the remaining part of the “Payroll and HR” module and any pending part of the “Finance and Accounts” and “Purchase and Stores” modules.
