

Call For Applications for Two- Month Summer Internship Programme in a Project Funded by The Science and Engineering Research Board (SERB), Department of Science and Technology (DST), Government of India

Dr. Subhronil Mondal, Department of Earth Sciences at the Indian Institute of Science Education and Research (IISER) Kolkata invites applications from highly-motivated students for a two-month summer internship programme (01 position) for the session May-June, 2024, under the Scientific Social Responsibility (SSR) initiative related to a paleontology research project. The position is funded by the Science and Engineering Research Board (SERB), Department of Science and Technology (DST), Government of India. Selected candidate will be offered a stipend of up to Rs. 5000 per month (maximum two months) as student assistantship.

Position	Summer Intern (01 position)
Research Area	Paleontology
Funding source	Science and Engineering Research Board (SERB)
Principle Investigator	Dr. Subhronil Mondal, Assistant Professor, Department of Earth Sciences, IISER Kolkata (Email: subhronil.m@iiserkol.ac.in)
Remuneration	Rs. 5000/- month
Tenure	Maximum 02 months
Basic Eligibility Criteria	Pursuing postgraduate science in Geology/Applied Geology, with a minimum 60% marks in aggregate (overall percentage; not only in majoring subject) or a CGPA of 6 on a 10-point scale (55% or equivalent CGPA in aggregate for SC, ST and PD candidates) till the last semester.

How to Apply: A detailed CV prior to the interview must be emailed to subhronil.m@iiserkol.ac.in within 30 days of the date of publication of this advertisement. No application will be entertained after that.

***Candidates are requested to send the following documents:** (a) Self-attested scanned copies of degree certificates; (b) any other relevant documents.

Date/Time of Interview: The exact date and time of the interview will be notified in due time.

Mode of Interview: Selection will be based on online interviews of the shortlisted candidates (A Google-Meet link will be shared with the short-listed candidates before the interview). The interview will be recorded. The application itself will be considered as the consent of the applicant to appear for the interview.

****Conditions:** Applying does not automatically guarantee that a candidate will be shortlisted for interview. The selection for the position will be made based on the past academic record as well as the performance in the interview. The decision of the selection committee will be final. Only short-listed candidates will be contacted by email. The selected candidate may be terminated with a 30-day notice before completion of tenure if their performance is deemed unsatisfactory.
