113	ISERK/R/2019/50040	04-11-19	<p>One of my close relatives had applied for a non-teaching post at IISER Kolkata against Advt No. IISER-K/Rectt.NT-01/2018/Admin date: 25.05.2018. I am not mentioning the name for confidentiality. No call for interview was sent even after lapse of more than 1 year. On inquiry it was learnt from IISER Kolkata administration that the MHRD has stopped the recruitment process in August, 2018 as complains have been made by a Dean of the same institution to the MHRD. It was also learnt that the MHRD has instructed to re-advertise the posts. All the candidates who have applied by paying fees for more than one year are completely in the dark. They are going to be the victims without any fault. No assurance is given what will happen to the application fee and who is going to bear the huge cost of wastage of public money and time. As there is no clarity from the institute side, the following documents may be made available to me immediately: 1. Complaint/s filed by Dean of IISER Kolkata to the MHRD 2. Instruction given by the MHRD to IISER Kolkata towards recruitment against such complaints 3. All correspondences made between MHRD and IISER Kolkata in this regard</p>	<p>REQUEST DISPOSED OF</p> <p>(As On 03/12/2019)</p>	<p>The sought information has no relation to any public interest for which RTI Act was enacted and hence does not come under the perview of disclosure under RTI Act.</p>
