28	ISERK/R/E/25/00019	24-05-2025	REQUEST DISPOSED OF	<p>Subject: Query Regarding Shortlisting for Integrated Ph.D. Program in Biological Sciences Dear Sir/Madam, I hope this message finds you well. I am..... (Enrollment ID: BT512B034), and I appeared for the IIT JAM 2025 with Biotechnology (BT) as my subject. I have secured an All India Rank (AIR) of 183 and had applied for the Integrated Ph.D. Program in Biological Sciences at IISER Kolkata. I have gone through the recently published list of shortlisted candidates and have a few queries regarding the same: 1. Up to what All India Rank in IIT JAM Biotechnology 2025 have candidates been shortlisted for the Integrated Ph.D program in Biological Science interview at IISER Kolkata? 2. Could you please share the cutoff rank for the last shortlisted candidate in each category (General, OBC, SC, ST)? 3. If a candidate with a rank lower than mine (e.g., 184 or beyond) has been shortlisted under any category (e.g., OBC), I would appreciate it if you could help me understand the reason for not being shortlisted, as it would help me clarify if there was any discrepancy or category-based consideration that I may have overlooked. I would be grateful if you could provide clarification on the above points. Thank you for your time and consideration. Warm regards, Enrollment ID: BT512B034</p>	<p>The candidate had not completed the application form - hence was not considered for shortlisting. Note that the website clearly mentioned that incomplete applications will not be considered. However, since fee payment was successful, a revised list will be updated after reconsidering for shortlisting all such candidates with "incomplete applications" but successful fee payment. In light of these facts, the cut-offs are not provided here because selection is NOT solely based on JAM rank. JGEEBILL scores are also used for shortlisting - and these scores are not known to candidates. However, the candidate may note that his JAM rank falls within the cutoff for his category.</p>

1	ISERK/A/E/26/00001	16-03-2026	15-04-2026	<p>I had requested the concerned CPIO for certain documents pertaining to manpower engagement by IISER Kolkata through private agencies but was refused the same citing Section 8 (1) (d), (e), (j) and Section 11 of the RTI Act, 2005. I would like to draw your attention to the following facts:</p> <ol style="list-style-type: none"> 1. Agreements made between IISER Kolkata (a central government institute fund by public money) and any private agency utilising the said funds, does not involve any confidential documents pertaining to the commercial confidence, trade secret or intellectual property, thus rendering the refusal to provide such documents by any citizen of India citing Section 8 (1) (d), is utterly meaningless. 2. Where the CPIO agrees to the fact that the terms and obligations of IISER Kolkata in relation to manpower engagement is in accordance with the central government rules, guidelines and instructions which are already available on public domain, refusal to provide such documents on the basis of Section 8 (1) (e) is again void of any merit as such information does not pertain to any form of commercial confidence or trade secret, the disclosure of which could harm the competitive interest of either parties involved. 3. Under Contract Labour Act, 1971, it is mandatory to display a copy of the licence prominently at the premises where the contract work is being carried on, thus making the copy of labour license a part of information in the public domain. Thus, citing section 8 (1) (d), (e) and Section 11 with respect to disclosure of such documents is irrelevant. 4. Details of wage disbursement do not violate Section 8 (1) (d), Section 8 (1) (e) or Section 8 (1) (j) as it does not include either the personal information or trade secrets of either party involved. <p>Hence, it is my kind request to you to please ensure that the requested documents are made available to me at the earliest possible. I declare the requested information is solely in public interest.</p>	Appeal Disposed.

3	ISERK/A/E/25/00005	15-10-2025	10-11-2025	<p>I,-----, an ExServiceman and the applicant in RTI Application No. ISERK/R/T/25/00078, hereby file this First Appeal under Section 19(1) of the Right to Information Act, 2005, against the response provided by the Public Information Officer (PIO) dated 14/10/2025. The response is incomplete, vague, and largely marked as Not applicable, without sufficient justification, thereby denying my right to access information as guaranteed under the RTI Act, 2005.</p> <p>1. Vague and NonSpecific Responses:For queries 2, 4(v), 4(vi), 4(vii), 4(viii), and 6, the PIO has simply stated Not applicable without providing any explanation or justification as to why the information is not applicable. Under Section 7(1) of the RTI Act, the PIO is obligated to provide either the requested information or a valid reason for denial under Sections 8 or 9. The blanket use of Not applicable does not constitute a valid reason and violates the principles of transparency under the RTI Act. 2. Incomplete Information for Query 3:Query 3 sought institutionwise details of the revision of Minimum Wages (Basic VDA) for Security Guards with and without arms from 2013 to 2025. The PIO provided only the minimum wage for a Security Guard without arms as of 25/09/2025 (Rs. 981/ per day) and failed to provide:Details for Security Guards with arms.Historical data for the period 20132025.Institutionwise details as requested.This partial response does not fulfill the query and restricts access to complete information. 3. Incomplete Information for Query 4: For subqueries 4(v) to 4(viii) (HRA, Bonus, Uniform Outfit Allowance, and Uniform Washing Allowance), the response is marked Not applicable without justification, despite these being standard components of wage structures for employees, including Security Guards. 4. Query 6 sought details of actions taken by the Department of Higher Education or other authorities against Higher Educational Institutions (HEIs) for noncompliance with DGR, AWPO, or Sainik Kalyan Board guidelines. The response of Not applicable lacks justification, as noncompliance with statutory guidelines is a matter of public interest and should be within the purview of IISER Kolkata or related authorities. In light of the above, I kindly request the First Appellate Authority to:Direct the PIO to provide complete, specific, and pointwise information for all queries raised in my RTI application (No. ISERK/R/T/25/00078) for the period 20132025, including:Detailed responses to queries marked Not applicable with proper justification or the requested information.Complete details for Query 3 (institutionwise Minimum Wages for Security Guards with and without arms from 20132025).Specific percentages and amounts for Query 4(i) to 4(viii), or valid reasons for denial.Comprehensive details for Query 5, including the contents of Annexure1 and clarification on its scope.Detailed response to Query 6 regarding actions taken for noncompliance.</p>	Appeal Disposed.
