**ACTION HISTORY OF RTI REQUEST No.ISERK/R/2016/50002**

<b>Text of Application (आवेदन का पाठ)</b>	Sub: Regarding the fair selection of Advt. No.: IISER-K/Rectt.NT-01/2016/Admn Sir, It is my utmost request to the respectful selection committee not to indulge in such kind of corruption related to education and research what IISER,Kolkata is famous for. Some days before from the institution internal source I hearded that it has been already planned to whom they are going to select from their respective contract people working there.So It looks a dummy open advertisement as it is pre planned to select a perticular Contract person to become a permanent employee in this institution.I know some of the person for the selection of Software assistant and many more.As day after tomorrow IISER,Kolkata is going to be IIT level but today we are corrupting that entrance door. It is not expected and not fair chance for those good candidates preparing for the examination.As I am also a candidate I know this situation should be rectify by the concern selection committee and will give fair chance to all candidates. Thanking you
