

Walk-in interview for the position of Senior Research Fellow in a project to be undertaken in the Centre for Climate and Environmental Studies at IISER Kolkata.

Project Title: Coastal Wetlands Conservation Action: public access data for education and conservation

Funding Agency: Indo Australia Project; GLOW (through Griffith University, Australia)

Temporary position: Senior Research Fellow

Number of vacancy- 1

Salary- Rs 52,000 per month (consolidated)

Age Limit- Must not be over 40 years as on 24th August, 2026 which can be relaxed for certain reserved categories as per rules of Government of India. Relaxation in age, educational qualifications or experience may be considered in case of exceptionally meritorious candidates. As part of the project, interdisciplinary tools will be used to strengthen ecological datasets routinely collected across regional and global scales. The position will be initially six months and can be extended by another six months subject to satisfactory performance. For further details about the project please write to Prof. Punyasloke Bhadury at pbhadury@iiserkol.ac.in

Qualifications: Master's degree in Natural Science including in the areas of Environmental Science/Microbiology/Ecology/Zoology. Proven experience conducting field sampling in aquatic ecosystems as well as previous experience with molecular tools for taxonomic delineation of eukaryotic groups would be helpful.

Walk-in interview: 24th August, 2026

Venue of interview: Lab M254, Second Floor, Research Complex, IISER Kolkata;
Time: 10:00 AM.

No TA/DA will be paid to attend the walk-in interview.
