

Upcoming EoI/Tender:

The Institute is in the process of procuring the following scientific equipment. All prospective bidders/manufacturers are requested to visit the Institute's Website (<https://www.iiserkol.ac.in/web/eoi-tenders>) and the CPP Portal (<https://eprocure.gov.in/eprocure/app>) periodically for further updates, including the publication of EoI/Tender, corrigendum, amendment, and any other relevant information.

Sl. No.	Name of Equipment
1	Supply and installation of Dynamic Mechanical Analyzer.
2	Supply and installation of Fluorescence Spectrometer.
3	Supply and installation of Isothermal Calorimeter (ITC).
4	Supply and installation of Differential Scanning Microcalorimeter System
5	Supply and installation of Next Generation Sequencing System
6	Supply and installation of Transient Absorption Spectrometer with Amplified Laser System.
7	Supply and installation of High-End Microscope based on (SIM) System with buyback of old Apo Tome 2 System.
8	Supply and installation of Essential Upgradation of Ebeam Lithography FESEM
9	Supply and installation of Preparative HPLC with Fraction Collector
10	Supply and installation of Operando FTIR Spectrometer
11	Supply and installation of Reactive Ion Etching
12	Supply and installation of Stable Isotope Ratio Mass Spectrometer to be integrated with existing sample introduction peripherals, namely the GasBench and Flash Elemental Analyser (Flash EA)
