

# FIMB 2026

 January 15 – 17, 2026

 IISER Kolkata Campus, India

## Frontiers in Modern Biology

ORGANIZED BY

DEPARTMENT OF BIOLOGICAL SCIENCES, IISER KOLKATA

The **8th edition** of our flagship FIMB symposium will focus on the theme "**From Basic Science to Translational Research**". FIMB-2026 aims to cover insightful discussions on diverse topics in modern biology and provide a vibrant platform for early-career researchers to present their work.

Join us for **three days** of cutting-edge science, engaging interactions, and knowledge exchange with leading experts from India and abroad.

### INVITED SPEAKERS

**Sayed E. Hasnain**

Sharda University, Greater Noida

**Ozan Gundogdu**

London School of Hygiene & Tropical Medicine

**Subeer S. Majumdar**

Gujarat Biotechnology University, Gandhinagar

**Suman Kundu**

BITS Pilani K K Birla Goa Campus

**Raghavan Varadarajan**

IISc, Bengaluru

**Bushra Ateeq**

IIT Kanpur

**Richa Rikhy**

IISER Pune

**Kaustuv Sanyal**

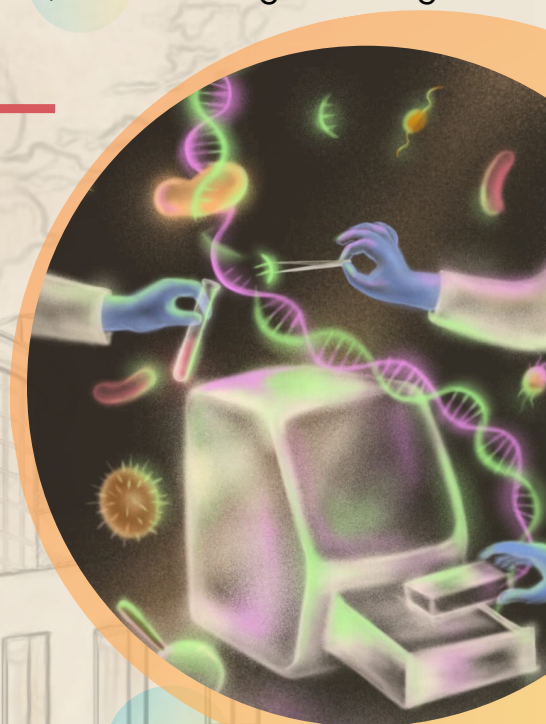

Bose Institute, Kolkata

**Utpal S. Tatu**

IISc, Bengaluru

**Deepa Agashe**

NCBS, Bengaluru

Supported by:

Frontiers in Modern Biology (FIMB) Society

### REGISTRATION FEES

- Masters students: 1000 INR
- PhD, Post-doc, RA: 1500 INR
- Faculty Members: 3000 INR

**REGISTER  
NOW**
