

February 28-29, 2020
IISER Kolkata, India

Department of Biological Sciences, Indian Institute of Science Education and Research (IISER) Kolkata cordially invites you to participate in the Frontiers in Modern Biology (FiMB)-2020 to be held in our green campus in Mohanpur, West Bengal. The first session of the symposium will start at 9:00 am on Friday, February 28, and the final session will end around lunch (1:00 pm) on Saturday, February 29. The central theme of the symposium is to provide a comprehensive exposure "from Molecules to Systems" across the diverse field of Modern Biology. FiMB will enable graduate students and postdoctoral fellows to share their research and accomplishments as well as get exposure to the cutting-edge research conducted by eminent experts in various fields of Modern Biology.

Speakers

Dr. Soumen Basak

National Institute of Immunology, New Delhi

Dr. Kavita Isvaran

Indian Institute of Science, Bangalore

Dr. Chandrima Das

Saha Institute of Nuclear Physics, Kolkata

Dr. N. G. Prasad

IISER Mohali, Mohali

Dr. Sitabhra Sinha

Institute of Mathematical Sciences, Chennai

Dr. Zhumur Ghosh

Bose Institute, Kolkata

Abstracts for poster/oral presentation may be submitted at:
<http://www.iiserkol.ac.in/~fimb2020>

Last date for registration: 25th January, 2020

Last date for abstract submission : 10th February, 2020

Registration Fees

- Bachelor / Masters / Project Assistant : Rs. 700/-
- PhD Student : Rs. 1000/-
- Post Doctoral Fellow : Rs. 1500/-
- Faculty : Rs. 2000/-
